

Please join us for a special online gathering with youth from Concord and Western Quarters. This event will be in lieu of our annual "Parent's Morning Off".

This lighthearted afternoon will be full of fun - interactive games and more! It's a chance to connect with current friends and make new ones. Enjoy one another's company in a time of social distancing. No obligation to participate – we think you'll want to, though...come and be entertained!

This program is geared for children from grades pre-K through 6th grade.

**Saturday, November 21, 1:30 – 3:00 PM**
